

Giuseppe PALADINI – CV

Giuseppe Paladini is a Research Fellow of Applied Physics (S.S.D. FIS/07) at the Department of Mathematical and Computer Sciences, Physical Sciences and Earth Sciences of the University of Messina. PhD in Physics in 2019, National Scientific Qualification as Associate Professor in 2023. He is co-author of 73 publications on ISI rated journals and 30 invited talks/communications at National and International Conferences and Events, in the field of Physics Applied. Citations: 398, H-index: 13 (Scopus database). His research interests include but are not limited to: dynamical and structural properties of supramolecular systems for environmental and pharmaceutical applications.
