

Dr. Ruchi Vyas

Presently I'm working as an Innovation Fellow (PDF) in the E-YUVA (EMPOWERING YOUTH FOR UNDERTAKING VALUE-ADDED INNOVATIVE TRANSLATIONAL RESEARCH) Centre, University of Rajasthan, Jaipur, India. My study area includes nanotechnology and neuroscience. Presently, I'm working in the area of early detection of traumatic brain injury. I have done my Ph.D. in nanotechnology and radiation biology, followed by a postdoctoral related to the application of magnetic nanoparticles in bioremediation and waste water management.
